

SEASONAL SIPS AT PIZZA EXPRESS

We've joined forces with Pizza Express to sprinkle some festive joy across their restaurants in the UK and Ireland.

When Pizza Express needed a Christmas drink solution, we had just the thing – our festive favourite, Spiced Cranberry & Clementine, our limited-edition Blend that adds that extra spark. It's the secret sauce in two killer cocktails on Pizza Express's festive menu.

We kicked off the festive shenanigans on November 21st, and we're keeping the good times rolling till the end of the year. Our mission? We're aiming to sling around 120,000 of these tasty concoctions across all Pizza Express joints during the holiday hustle.

WHAT DRINKS ARE ON OFFER?
